### WORK EXPERIENCE

#### JR. FULL STACK DEVELOPER

Subscribe Pro | May 2020 - Present

- Using HTML, CSS/SCSS, React, and APIs to customize responsive UI components for various national and international eCommerce clients
- Representing the product team during client onboarding meetings
- Maintaining strong and frequent communication with clients and contractors for successful outcomes
- Applying troubleshooting techniques to meet our customers' individual needs
- Gaining familiarity with Magento 2, SFCC, and WordPress platforms

#### HEAD COACH

Diamond Farm Stingrays Swim Team | May 2017 - August 2019

- Taught more than 75 swimmers new skills, from the basic techniques to the development of speed
- Ran the Pre-team, a separate group of more than 25 children ages 3-6
- Delegated specific responsibilities to assistant and junior coaches
- Smoothly mediated any conflicts between swimmers and between junior coaches
